Recommendation of the BOS members: -

1) The BOS members suggested introducing one-year Master of Law (LL.M.) program in specialization Alternate Dispute Resolution (ADR).

The six courses of 2 credit each can exclusively deal with subjects like Mediation/Conciliation/Arbitration/Negotiation/online dispute resolution (ODR) concerning disputes within India and cross border disputes. It was further resolved that in the upcoming 27th Board of Studies meeting, after a detailed discussion with the

Academician, Practicing Lawyers, and Firms working in the said field, a course outline be prepared.

2) The Dean School of Law informed the BOS members of the suggestions received from faculties of NMIMS SoL functioning in different States and discussion with VC for introducing "Zero" credit subjects of Local Legal / Administrative Language of the states where the NMIMS Schools of Law are situated. Accordingly, it is decided to introduce 15 hours per semester zero credit course from 1st to 4th year in Punjabi/Kannada/Hindi / Telugu/ Marathi. The course outlines will be prepared in consultation with experts and will be submitted for the approval of upcoming 27th Board of Studies meeting.

3) The subject Land Law has several state-based Laws; therefore, a note is added to the Course Outline of the program B.A., LL. B. (Hons) & B.B.A., LL. B. (Hons) for the subject Land Law Semester VII regarding method to be adopted for incorporating the relevant laws of the States where the SOL is situated. The law applicable in Maharashtra will be taught only if the concerned State does not have a corresponding Law.

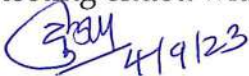

4) It was also resolved that a note should be added in every course outline of Law subjects as follow:

"Note: - Latest updated Statutes/Acts/Rules & Regulations and Case Laws to be taught after discussion in Multi-campus Coordination Meeting."

The Board of Studies recommended that after due incorporations of the changes suggested by the learned Members, all Course Outlines and the other decisions approved during the BoS Meeting may be submitted to the Academic Council meeting for University's approval.

In conclusion, Dr. Durgambini Patel acknowledged the contributions of the learned BoS Members and thanked everyone.
