Jashn-e-Pehchaan 2022 was a virtual national level college festival dedicated to celebrating identities. It aimed at rejoicing the immense diversity that our world is bestowed with. The first edition of Jashn-e-Pehchaan was one of its kind in the entire country. Unlike any other event, it was based on a theme which was left unexplored by most of us i.e “Celebrating Identities”. Jashn-e-Pehchaan had 9 events in Toto. Beginning from January 29, 2022 Jashn-e-Pehchaan went on till January 30, 2022. The event spurred off with a grand opening ceremony which was addressed by the Dean of NMIMS Kirit P. Mehta School of Law, Mumbai Dr. Alok Mishra. Without his support the event would not have been possible. He told that as a professional he had interacted with people across various communities, cultures, faith and languages. Hence, reveres them all and resonates to the idea of Pehchaan. Next, Dr. Karishma Desai also enlightened the gathering with her kind words of encouragement. The entire committee was indebted to Dr. Desai for her invaluable contribution towards the fest. Jashn-e-Pehchaan hosted 4 events on the first day which included Atrangi, Alag Nazaria, Kahani Unsuni, L'artiste. On 30th January, 2022 events like Kitne Offensive the, Hahakaar, Weigh and Alter, News Hour and Essence were hosted. All the programmes were appreciated and enjoyed by the attendees.
